### 10. Driver's Meetings

- 1.10.1. Driverz Cup will conduct meetings and/or prepare written handouts briefing all on the rules governing the competition, and specifically, any new rules, regulations, or operations pertaining to the competition. This may be a single meeting and or email. It is the driver's responsibility to keep updated.

## 11. Passing

1.11.1. Refer to SCCA GCR

## 12. Driver Discipline

1.12.1. Goal: The primary goal of the disciplinary process is to change driver behavior. Our focus should be on any behavior that had the potential for or resulted in actual damage to other competitors or vehicles. We pride ourselves by having all competitors load their cars back into their trailers the same condition as they arrived to the track. The Driverz Cup doesn't not allow purposeful car contact.

1.12.2. Blocking: Refer to SCCA GCR

1.12.3. Incident Review: All incidents reported by corner workers, stewards, or drivers will result in a mandatory footage review of all cars involved as well as trailing or leading cars from the incident as needed following the track session. The footage **must** be reviewed by Driverz Cup, a witness to the incident and a non-associated driver of the incident to properly deem who is at fault within the incident. Any driver that wishes to view the incident footage is permitted to do so.

1.12.4. Incident Discipline: Incident fault is determined by the conclusion of the incident review for the specific incident. Should a driver be found at fault in an incident, penalties ranging from loss of championship points up to probation or suspension may be determined. The purpose of a penalty is to encourage a change in driver behavior.

## 13. Flags

1.13.1. **All Yellow Flag Circumstances:** No passing and single file.

1.13.2. **Standing Yellow:** There is an incident off track, which you may, or may not be able to see. Get in single file, if you can see the incident provide extra space for safety crew. Resume racing side-by-side after the incident.

1.13.3. **Waving Yellow:** There is an incident on track. Use extreme caution. Drop into single file. Resume racing side-by-side after the incident and all flags are clear.
